SYNERGYZED'S™ PRIVACY POLICY CONT'D

SECURITY

Synergyzed takes the Security of its Users very seriously.

PASSWORDS

All users are required to enter a password upon creating an account. To ensure security of your information, please do not share your password with anyone else.

CODING

Synergyzed includes secure code development and code signing to ensure users' Personal Identifiable Information isn't compromised by other applications or Synergyzed's code being unknowingly manipulated.

LINKS TO OTHER SITES

Synergyzed Mobile Application may provide links to other sites within its modules and features, and within advertisements. Please be aware that Synergyzed does not have control of and is not responsible for the privacy or security practices of these other sites. Synergyzed encourages each user to review the privacy statements of every website, which is visited and always be aware of any information that is submitted to any such third party.

CHANGES TO THIS PRIVACY POLICY

Synergyzed will email each user when it makes changes to its Privacy Policy. Within the email Synergyzed will state why the changes are required, how each change will affect the user and their account, and when the changes will come into effect.
